

Make Some Felt!

Sunday Oct 20, 10-3 @ Wynndel Arts Centre

Carmen Ditzler - Hermit Felt – carmenditzler.com

Wet Felting fun with merino roving, silk and embellishments.

We will be making a hat or a bag. Both are the same process. You are also welcome to make a flat piece if you prefer.

Play with colours, learn tips and tricks for successful wet felting and build skills. Felt can be stitched, dyed, printed and sewn.

Hats can be pointy, rounded or slouchy. Many ways to style them. They can be calm and demure or crazy and wild or somewhere in-between. Turn them upside down with the opening at the top and add a closure, maybe a handle and they're bags!

Felters of all experience levels welcome. (yes this includes first time felters)

Your experience, will determine how complex your project is.

Fee: \$95 Includes materials and supplies.

(payment by e-transfer to koothypo@gmail.com autodeposit)

If you have a bag of merino wool roving that is labelled in its original bag you are welcome to bring it.

Bring:

Two old towels + one thin tea towel or piece of old sheet.

Small plastic bucket or container. (2L)

Measuring tape, scissors (not fabric and fabric) pen.

Bubble wrap if you have it. I will bring some too. 24" wide and 36" or longer. Two or more pieces.

Lunch and snacks (no tree nuts)
